

# The Harbortouch Difference

THE COMPETITION  
JUST DOESN'T COMPARE!

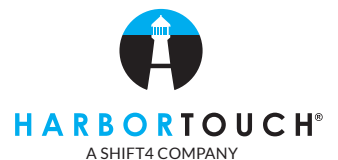

| HARBORTOUCH  | THE COMPETITION  |
|--|--|
| No upfront costs.*   | \$3,500 - \$7,000 per system. Total upfront costs range from \$3,500 - \$50,000+.  |
| Free back office solution - Lighthouse™ Business Management System allows POS access from any computer with an Internet connection.  | POS access limited to a dedicated back-office PC, which adds additional cost.  |
| Onsite installation, onsite training and advanced remote training included.  | Typically offered at additional cost.  |
| Next day funding available on credit/debit purchases.**  | 2 to 5 business days for funding is the industry standard.   |
| Lifetime warranty if the system breaks or malfunctions.***   | Merchant is responsible for any replacement costs.   |
| Daily database backup included.  | If available, database backup requires an additional fee.  |
| Highest quality hardware and state-of-the-art software.  | Hardware and software vary by company.   |
| Free reservations module enables restaurants to manage all incoming reservations (both online and in person) directly through the Harbortouch POS system or Apple iPad (Hospitality only). | Similar online reservation systems cost hundreds of dollars a month. These modules are not integrated with the POS system. |
| Future software upgrades included at no charge.  | Additional cost required for software updates.   |
| 50 free full-color gift cards with merchant logo or custom design.   | Gift cards may be available at an additional cost.   |
| 24/7/365 in-house customer service and technical support.  | May or may not be available. 24-hour support generally requires an extra cost.   |
