

PAY NO CREDIT CARD FEES WITH SHIFT4'S ADVANTAGE PROGRAM

With the Advantage Program from Shift4 Payments, you can ELIMINATE the cost for accepting credit cards at your business!*

How Does It Work?

The Advantage Program enables you to offset your credit card processing fees by adding a surcharge to all credit card purchases. This results in significant savings for your business!

MASSIVE SAVINGS

With a cardholder surcharge for each credit card transaction, you can maintain a near-zero balance for your processing fees!

ZERO OBLIGATION

If you ever change your mind, you can switch back to traditional payment processing at any time

FULLY COMPLIANT

Unlike cash discount programs, our Advantage Program is fully compliant with card brand rules and regulations
